UNIVERSITY
OF
THE
STATE OF
NEW YORK
TO THE ALUMNI

The Catalogue of Graduates of the College is published every fifth year.

The Catalogue of Undergraduates and Course of Study is published annually.

The Address List containing the post-office addresses of living graduates and non-graduates is published biennially.

An Obituary Record of Alumni deceased during the year is distributed at Commencement.

All the above, except the Obituary Record, which is sent on application, are mailed regularly to graduates whose addresses are known.

To make these publications as complete as possible it is desired that changes in address, ordination, degrees received, appointments to professorships or to civil office, the names of deceased graduates, the age and the year of death, and any other facts appropriate for these records be sent to the Registrar of the College.
